- 
- BVN has not issued new equity for 17 years.

Dividend policy:

Buenaventura will distribute an annual cash dividend of at least 20% of net income generated by majority-owned operations and subsidiaries. In the case of Buenaventura's Associates (Coimolache, Cerro Verde and Yanacocha), 20% of attributable to Buenaventura's net income will be included if they distribute cash dividends to Buenaventura.

New Strategic Plan

Focus on activities that create value:

- Stopping production in non-profitable operations (Antapite, Poracota and Shila-Paula) and evaluating the performance of the other units.
- Focusing mine exploration activities on high grade and accessible targets.
- Increasing mining operation efficiency / Orcopampa and Uchucchacua.
- Focusing on brownfield explorations to reduce risk.
- Capital expenditures' control.
